Arttenders connects business with art. We develop strategic solutions in the arts ranging from matchmaking, concept development, project management, and innovative sponsorship strategies. For our Rotterdam office we are looking for a:

Media and Communications Intern (m/f)

Our intern supports the team across all areas of business. This internship has a specific focus on improving our market position and implementing our communications strategy. Tasks will include implementing our online strategy, writing content, press releases and proposals for artists and corporate clients, participating in studio visits and assisting with project management, market research and various other tasks that occur in a young company.

Arttenders works with an extensive network of international artist in various disciplines. Our international clients range from housing companies to project developers and from municipalities to architects. None of our projects can exist without the input of our artists. Attenders is a business with aims for making profit for all parties.

Some of our current projects

We are looking for a candidate with:

- A passion for (visual) arts
- BA/MA student in communications / global marketing & sales or comparable program
- A sharp eye for business development and innovation
- A huge drive for personal growth
- Strong written and verbal communications skills in Dutch and English
- The ability to conduct extensive research
- A commitment of a minimum of 12h per week for at least three months
- Experience with Indesign, Photoshop, Wordpress
- Experience with SEO
- Experience with writing press releases
- A creative mind

We offer a challenging media internship, a flexible workspace, and all the perks of working in an art startup.

To apply: please submit a brief cover letter and resume by email to siobhan@arttenders.com, including the full job title as the subject line.
